Riverside

CEMETERY

YARMOUTH, MAINE

For life and death are
one, even as the river
and the sea are one.

KHALIL GIBRAN
THE PROPHET

Celebrating Life

about us

Riverside Cemetery is a place to remember and to be remembered.

A uniquely beautiful, accessible, and well-maintained cemetery, Riverside's grounds feature views of the bay that reflect the openness of its landscape and the familiarity of home. Here, all forms of legal burial are accommodated.

Expressions of individuality are welcomed that are in-keeping with the high burial standards and beauty of the cemetery.

Riverside has always been more than just a final resting place. It is a quiet refuge for community, family and friends. Riverside is a living museum, filled with the stories of those who made considerable contributions to the history of Yarmouth and the state of Maine.
